TO: \_\_\_\_\_ COMPANY: \_\_\_\_\_

FROM: \_\_\_\_\_

Because Kistler-Morse is an ISO 9001 Registered Company we must have an approved application data sheet or a waiver on file for all continuous products ordered. This requirement assures the products purchased meet your expectations.

The following waiver is required when our customer's are completely satisfied with the performance of previously purchased products or for those who do not want to complete an application data sheet.

**NOTE:** Your purchase order will not be released to our manufacturing teams until we receive either a completed waiver or application data sheet.

### APPLICATION DATA SHEET WAIVER

I \_\_\_\_\_ representing \_\_\_\_\_  
*(print your name)* *(print company name)*

do not wish to complete an application data sheet for my purchase order number \_\_\_\_\_

.Since I do not wish to complete the application data sheet as requested by KISTLER-MORSE, I will be responsible for any mis-application of the order. I do not want KISTLER-MORSE to verify my selection of products. KISTLER-MORSE, as always, will be responsible for quality and workmanship.
